## TRANSPORTATION INFORMATION

Reservations and payment for transportation must be received by **June 10, 2011**. After that time, seat availability will not be guaranteed.

- *Many airlines have strict regulations regarding minor passengers. Please contact your airline for information about regulations pertaining to minors.*

A Keshet staff member will be available at each departure area to direct and assist the campers. A staff member will also accompany the bus to its destination. Below is a list of the bus schedules and fare information.

Campers who plan to arrive at LaGuardia airport after the scheduled bus departure will need to make special arrangements with the camp. Campers arriving at other airports will also need to make special arrangements. In these instances, there will be an additional fee. This fee will depend on the distance of the airport from the camp, the number of campers traveling at that time, and the age of these campers.
